

Whistleblower Hotline Services

Protect your Business with Compliance and Confidentiality

As an enhancement to FaceUp's anonymous reporting platform, FaceUp has partnered with AnswerNet to provide around-the-clock whistleblower hotline services for your employees, customers and vendors. We help safeguard your business by giving reporters a way to convey their concerns without fear of retaliation.

Our whistleblower hotline services offer:

Highly Trained Agents

Our agents are empathetic, unbiased and exceptionally skilled in handling confidential reports.

True Anonymity

Provide a truly anonymous channel to help build trust and encourage "safe" reporting.

Verbatim Reports

Word-for-word report transcripts guarantee the accuracy and integrity of the original message.

Report Portal

Secure online portal simplifies the response process by providing easy access to hotline complaints.

Ongoing Compliance Training

Agents receive ongoing training to stay up to date on the latest regulations and industry best practices.

Full Records Archive

Maintain a comprehensive archive of all calls and interactions for easy reference and compliance.

More features:

- Multilingual agents
- Branding consistency
- Seamless integration

Your benefits:

- Addresses issues early
- Protects your business assets
- Promotes ethical behavior

FaceUp and AnswerNet's dedication to quality and professionalism enhances the value of our service and ensures that your organization receives reliable, actionable data to effectively address critical issues.

Let's get started today.
